Dear Members of the Trinity Family,

Sunday has always been my favorite day of the week. Even as I child I looked forward to Sundays which included worship in the morning, a lovingly prepared meal at home, afternoons visiting with extended family, and always, always time spent with Mamagrand, my paternal grandmother. Memories of those Sundays spent at church and with family continue to bless my life.

I look forward to being with you tomorrow at 10:00 am for Trinity's online service. The bulletin, children's materials, and information about online giving can be found on our website at www.trinitylutheran.ws. This Sunday Deacon Amy Brown will be hosting Coffee and Conversation via Zoom at 8:45 am followed by a class entitled *Reforesting Faith: What Trees Tell Us About the Nature of God and God's Love for Us* from 9:00 am to 9:45 am. Bring your own Bible and coffee to explore some of the Bible's major stories in a new light. The Zoom meeting ID is 997 1345 0937 and the Password is learn@TLC.

On Wednesday evening a Service of Praise and Lament will be premiered at 6:00 pm. This service will be a soothing, calming, and meditative experience to help us reflect on the challenges and suffering of these days as well as the joys and blessings of these days. It will be an opportunity for us to find comfort, strength, and peace in the life we share together in the faith. I look forward to sharing both of these worship opportunities with you.

May God's love surround and fill you this day and may you know that you are loved beyond measure.

Love and Easter blessings,
Pastor Susan Crowell
