Canticle of the Turning - Refrain

My heart shall sing of the day you bring. Let the fires of your justice burn.
Wipe away all tears, for the dawn draws near, and the world is about to turn.

It Won't Be Long

It won't be long now, it won't be long.
It won't be long now, it won't be long till
justice comes rolling like a mighty stream.
It won't be long now, be long

Siblings be strong now, siblings be strong.
Siblings, be strong now, siblings be strong till
justice comes rolling like a mighty stream.
Siblings be strong now, be strong.

Freedom our song now, freedom our song.
Freedom our song now, freedom our song till
justice come rolling like a mighty stream.
Freedom our song now, our song.

In Silence We Wait

In silence we wait, in darkness you
come to us; bring us your light.

He Came Down

He came down that we may have love; he came down that we may have love;
he came down that we may have love; hallelujah forevermore.

He came down that we may have light; he came down that we may have light;
he came down that we may have light; hallelujah forevermore.

He came down that we may have peace; he came down that we may have peace;
he came down that we may have peace; hallelujah forevermore.

He came down that we may have joy; he came down that we may have joy;
he came down that we may have joy; hallelujah forevermore.
